Photofold Camera Club are proud to present their second annual exhibition of work by club members.

Advanced workers and beginners have had equal opportunity to show what they can do, nothing submitted has been rejected.

We hope that you will enjoy looking at our work and that if you are interested in photography, you will join us. We start our new season in September. Do come along, you can be sure of a friendly welcome.

Photofold is affiliated to the Photographic Alliance of Great Britain through the East Anglian Federation, and currently has approximately sixty members.
